Organize a trip to the guests' wishes, at any time of the year.

Departure from Sarajevo in the early morning hours.

Break for rest as needed. Tour of the old town of Mostar, Blagaj tour, lunch.

Possible visits Hutovo Blato, the natural reserve of flora and fauna 1-4 m above sea level), with the greatest treasure of bird in Europe, where it holds more than 250 wading birds. Visited by bird hunters, fishermen and lovers of untouched nature. Driving the boat accompanied by local guides.

Departure from the waterfall through Ljubuški Kravice Trebižat. The most beautiful waterfall on the river in Herzegovina, 26 m high and wide, about 120 m. The visit was an unforgettable and magnificent doživljaj. Trip min 25 people.
